Those who already have too much faculty of the Collegiate institute, and the faculty and classes of the West-minster college were entertained last advantage of the law breakers and suffer through police surveillance. The roads movement.

proprietor of a legitimate establishmen ould remove suspicion from his place y inviting the officers to step inside and examine the premises. Under the reumstances a rush for an injunction mounts to a confession of guilt.

### CARNEGIE HEROES.

Heroes who measure up to the Carnegie standard are not numerous, acording to the first annual report of the Carnegie Hero Fund commission. Out of something over 400 cases recomot been finally passed upon, because

It is interesting to learn that 239 'heroes' 'who have been sufficiently ourageous to urge their own claims cause their acts of alleged heroism were not sufficiently meritorious or because of the manner in which the cases were brought to the attention of the commission is not known, but nobody outside the 239 is likely to question the action of the commission. That kind of "heroism" needs no encouragement. of "heroism" needs no encouragement.

The small number of medals awarded may be explained by the fact that real! perces do not seek rewards. Of course, each year witnesses many times nine deeds of heroism fully up to the Carnegie standard, but those who perform justed before it becomes a menace to the deeds are reluctant to seek formal

Perry, Farragut, Decatur, Jones, Dewey and the others who have fought England's and America's great sea battles had to do with the defeat of Rojest- months. vensky. Japan's leading naval comappropriation should have resulted in placing the guard on a better footing than ever before.

The situation is a serious one because direct disobedience of orders is involved, an offense of the utmost gravity from the miliary standpoint. Those who failed to obey the code of the code of the schools of England and American that the Japs who received their tayal educations in the schools of England and American that the Japs who received their tayal educations in the schools of England and American that the Japs who received their tayal educations in the schools of England and American that the Japs who received their tayal educations in the schools of England and American the school of England and American straits are of this class. Togo was a student at Greenwich, England, and Uriu is a graduate of Annapolis. It is significant that the Japs who received their tayal educations in the schools of England and American the school of England and American the school of England and English and American straits in Kearney, Neb.

Mrs. Joel L. Priest will leave this morning for a visit with her parents in Kearney, Neb.

Mr. and Mrs. Solon Spiro are now at home in the Emery-Holmes.

Mr. and Mrs. Lafayette Holbrook came up from Provo for a short time Tuesday. fighting methods are the best and Japan was wise enough to avail itself of the knowledge to be gained by studying the methods of the great Anglo-Saxon Lake homes for charity.

captains. Just how much Togo and the officers under him copied from Nelson, from Jones or from Dewey probably they could not themselves tell, but their tactics, so far as at present known, show traces of the elaborate method could not themselves tell, but their tactics, so far as at present known, show traces of the elaborate method settled at least so far as the present show traces of the elaborate method and generation is concerned, and Japan will be the dominating factor henceforth. At the men named, with all the dash and the close of the Chinese-Japanese war Germany, France and Russia were Germany, France and Russia were one fact may be taken for granted.
